

Privacy Policy

This privacy policy (the "Privacy Policy") is designed to inform you about the use of information that you provide to Robohood Inc through the website www.robotdoes.art.

This Privacy Policy is meant to help you understand what Personal Data we collect, why we collect it and what we do with it. Please take a few minutes and familiarize yourself with our Privacy Policy.

Personal data collection and use

Personal data collection may occur with the client's consent in the following ways:

- By providing the contact information on our website or elsewhere;
- By using cookies or information specified in the user's account when using the web page;
- When making a purchase in the online store.

We maintain such Personal Data for internal purposes only. Collected personal information is used to deliver goods and to fulfill obligations towards customers.

When you provide us with personal information to complete a transaction, verify your credit card, place an order, arrange for a delivery or return a purchase, we imply that you consent to our collecting it and using it for that specific reason only.

We may use your email address to inform you about our services, such as letting you know about upcoming changes or improvements to our products and services. We will not sell, exchange, transfer, or otherwise give your Personal Data to any third party without your explicit and informed consent subject to the exceptions elaborated below in the section of this Privacy Policy entitled "Disclosure of Personal Information". We will ask for your explicit and informed consent before using information for a purpose other than those set out in this Privacy Policy.

Disclosure of Personal Data

As a general matter, we do not sell, trade, or otherwise transfer to third parties your Personal Data. We will share your Personal Data with companies, organizations or individuals outside of Robohood Inc with your explicit and informed consent to do so. This does not apply to trusted third parties so

designated by Robohood, who assist us in operating the Site, conducting our business, or servicing you ("Trusted Third Parties").

Rather, we may transmit your Personal Data to Trusted Third Parties. We will only transmit your Personal Data to Trusted Third Parties following their agreement and commitment to keep all Personal Data confidential. This Personal Data is given to Trusted Third Parties based on our instructions and in compliance with our Privacy Policy and any other confidentiality and security measures.

We may also release your Personal Data when we believe such release is necessary to comply with applicable law, enforce the Site's policies, or protect Robohood's legal rights, property, or safety, or those of third parties. This may be the case:

- to comply with applicable law or regulation, legal proceedings or any other enforceable governmental request or order;
- in case of an investigation of potential violations;
- to detect, prevent any type of fraud, security or technical issues.

Other data collection

We also collect data that is not linked to a particular person (the data on users' age, sex, location and preferred language setting). In addition, we may collect information about the customers' activities on our website. The data is collected and used to communicate the useful information to the customers, as well as to obtain information about the popularity of products, services and website sections. Such aggregated data is used with no reference to a particular person.

Personal data security

Robotdoes.art uses all sorts of precautionary measures (including administrative, technical and physical) to protect the customers' personal data. Only the authorized personnel have access to data processing and editing.

Security

All the personal data posted while shopping in robotdoes.art online store are considered confidential information.

Personal data and bank transaction security is guaranteed by a protected data transmission channel.

Privacy Policy terms and changes

We reserve the right to make changes to the terms of Privacy Policy, if necessary. We assume that customers have familiarized themselves with the Privacy Policy and agreed to its terms before using our website.
